

REACH and RoHS certification of compliance for products
sold by FiveFive SAS under the "holi" brand

Note: FiveFive SAS (*FiveFive*) has taken reasonable steps to provide representative and accurate information, but may not have conducted destructive testing or chemical analysis on all incoming materials. FiveFive requires that its parts and material suppliers provide full material disclosure on their products as part of the ongoing material declaration effort. Nevertheless certain material or information may remain unavailable as it may be considered proprietary information to our component suppliers.

RoHS

Based on information obtained from our component suppliers and to our best knowledge, this document certifies that ALL FiveFive products are "RoHS" compliant and do not exceed the designated levels of Lead, Cadmium, Hexavalent Chromium, Mercury, Polybrominated Biphenyls or Polybrominated Diphenyl Ethers legislated under the provisions of the European Parliament and Council Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (2011/65/EU) and regulations promulgated thereunder, collectively, the "RoHS Regulations."

Additionally, based on such information, FiveFive products:

- do not contain Deca Brominated Diphenyl Ether (Deca BDE) legislated under the provisions of the European Commission Decision of 13 October 2005 (2005/717/EC),
- do not contain as intentional additives Perfluorooctylsulfonates (PFOS) legislated under the provisions of the European Parliament and Council Directive 2006/122/EC (30th amendment to EU Directive 76/769/EEC

REACH

Based on information obtained from our component suppliers and to our best knowledge, this document certifies that FiveFive products DO NOT contain Substances of Very High Concern (SVHC) as listed by the European Chemicals Agency (ECHA) under the provisions of Regulation (EC) No. 1907/2006 of the European Parliament and of the council concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH) per the ECHA 20/06/2013 and previous updates.

As per REACH regulations – Article 7, FiveFive is considered a provider of "articles." All of our products are assemblies/components, not raw materials. None of our products intentionally releases substances to the environment. None of our material of construction are Substances of Very High Concern (SVHC) and FiveFive has no notification obligations under Article 33, as none of these SVHCs are present in our Products, or are present below the 0.1% wt./wt. concentration limit.

The provisions of this certificate supersede and replace the provisions of all other certificates previously delivered relating to compliance with the RoHS and REACH Regulations.
